Located in arguably one of Barnehurst's most popular locations is this well presented three bedroom terraced home, which is available immediately.

Sandwiched in between two mainline train stations being Slade Green and Barnehurst, this would be perfect for commuters looking for speedy links to central London.

Also nearby is a local bus route which will get you around locally in areas such as Bexleyheath and Erith.

Internally this offers those who want the chance to just move in and in pack, just that!

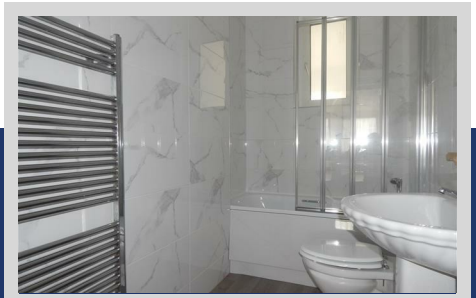

The decor is pleasant and would appeal to the best of us.

The lounge flows into the kitchen which has a separate utility room to the rear, along with a downstairs bathroom also.

Upstairs has three bedrooms. One to the front with a large fitted wardrobe in and the other two to the rear over looking the garden.

To the rear is the garden is in addition to the driveway on the front. **THE GARAGE IS NOT INCLUDED.**
