This wonderful split level apartment is set in the heart of Bexleyheath. This property is a stones throw away from all amenities and a short walk to Bexleyheath train station which takes roughly 30 minutes to get to Central London.

Split over both the first and second of this impressive building. As part of a Victorian property, high ceilings and large rooms are a stunning feature throughout as you would expect. The living room is a large 'L-Shape' offering the perfect layout for a separate lounge and dining area. The kitchen is a separate room and offer more space than anything I have seen in a while from an apartment. The master bedroom and bedroom two are split over both floors.

Working professionals only. No DSS.
