**** PRICE RANGE £300,000 - £325,000 ****

Offered with no forward chain is this well presented three bedroom mid terrace Victorian property. Being located in the heart of Dartford Town Centre and being close to all of your day to day essentials this is perfect for first time buyers or a small family.

With Victorian properties being so sought after this is certainly one not to miss out on. The ground floor comprises of two reception rooms, with the through lounge leading straight into the dining room allowing separation when eating your meals whilst the rest of the family gather to watch an evening movie. Having already been subject to a rear extension in the past, this is where the kitchen really is the heart of the home.

As you make your way upstairs to the first floor you are greeted with a large open landing and high ceilings with three good sized bedrooms leading off the landing. The master bedroom offers that extra space required with the feature round bay frontage you are presented with, along with the second bedroom also being of a good size leaving the third as a standard single bedroom but still offering enough space to fit a small wardrobe.
